

Looking to review for the
Math Accuplacer? We can help.
Rio Salado has a *free* customized prep course for you.
Start by going to

<http://riosalado.edready.org>

Turn this card over for more directions

Once you are at <http://riosalado.edready.org>

- Click **Get Started**.
- Fill in the form. Be sure to use your [maricopa.edu](mailto:yourMEID@maricopa.edu) email address:
yourMEID@maricopa.edu
- Click **SIGN UP FOR EDREADY**. You will receive a verification link in your email. Click it then click **Get Started**.
- Choose the test you want to prep for and click **Add to goals** and then **Go to goal**.
- Next click on **Start Assessment**. It should take an hour or less to complete.
- Once completed, you will see the areas you know and those you may need to review. Follow the path until you have achieved the desired goal.
